Ethel Cave-Cole (Cave, Canada)

Here is an extraordinary new light pink just introduced this year. And has not been offered at retail anywhere before. It is such an unusual and outstanding variety that I have just bought most of the stock and have exclusive selling rights in the United States. This is a variety that is destined to go places, both as a commercial cut flower and for exhibition and the home garden. In fact I fully believe this is the best light pink in existence. To win on the show bench you will have to grow Ethel Cave-Cole. To have the best light pink cut flower for either long distance shipping or local use you will have to have Ethel Cave-Cole. In fact Ethel Cave-Cole is the coming light pink.

Last season a few bulbs were sent around the country for trial and everyone was enthusiastic about it. We have really wonderful testimonials from different parts of the country.

COLOR Pure light pink with a powdery sheen—sometimes lightly flecked around the edge. A beautiful clean, clear tone that appeals to everyone.

FLORETS 8-9 large (6 inch or over) well placed round blooms open with as many more showing color. 20-22 total blooms. Petals roll back at the edge.

STEM not heavy but strong and plenty tall and straight. Flowers firmly fastened to it.

SUBSTANCE unusually good and stands extreme heat perfectly though doesn't appear coarse.

RELIABILITY Very reliable in all ways, wherever grown. A heavy propagator, good grower and uniform bloomer whether from large or small bulbs and in all soils and is healthy.

There are not many good light pinks on the market.

Ethel Cave-Cole will make a very fine addition to the list and by far the best one I know of. This variety will be heard from this coming summer as I am going to try to get it to the shows and a number of leading growers have already ordered or said they intend to. Now is the time to get in on the ground floor.

SPIKES OF ETHEL CAVE-COLE were shipped from Vancouver to Boston in tight-bud condition by Air Express. Four days after arrival, they received the Seedling ribbon, with the unanimous vote of seven judges.

Here are two testimonials among the number received by Mr. Cave.

About This Year's Introductions

MERMAID (Palmer) This is one that I believe is going to create a sensation both as a commercial and for exhibition. Grows enormously tall and strong with a stem even better than Debonair. 8-10 large pink blooms open at a time. Much darker than Picardy, just the color the florists want.

MUSKOKA (Palmer) Will be popular as an early commercial. Though a so-called smoky salmon the color is good.

PENZANCE (Palmer) A very dark smoky, distinctive color with 8-10 perfectly placed blooms open. Darkest smoky I have seen.

TECUMSEH (Palmer) A smoky that not only has about everything a smoky should have but in addition is beautiful. A thing that can't be said of many smokies. It has the heaviest texture I have ever seen and is one of the most unusual glads ever produced.

WINSTON (Palmer) The most beautiful cream I have seen. Whether this will finally prove out better than White Gold or not remains to be seen but I think there is place for both.

BOLERO (Leffingwell) A smoky orange with a darker velvety feathery blotch. A large flower and type quite similar to Tecumseh but even larger and of course is different color. Frederick Cassebeer of New York, one of the best known judges and writer on gladiolus topics in the country, says it is the best thing I had in my Boston exhibit last year and I had a lot of my best ones there.

PADRE (Leffingwell) A fine formal type orange for exhibition purposes. I don't know of any other orange that could touch this on the exhibition table. Very showy, opens up to 12 large blooms.

MOTHER KADEL (Kadel) I have not grown this myself but I understand it is one of the most promising of the newer yellows. A real nice thing.

ELIZABETH THE QUEEN (White) This is a new lavender that is miles ahead of any other on the market and is having phenomenal sales this year among growers who know glads. This will be a very popular variety for years. A really beautiful lavender.

If you are a commercial grower and interested in getting a quantity of this variety, write for special folder and growers' prices. Special collections, \$25.00, \$50.00, \$100.00.

MARGO (Hedgecock) A very fine Apple Blossom pink that is the best keeper I have ever seen. Mr. Cassebeer, mentioned above, says it is one of the very best of the few outstanding new varieties he saw last year.

KING MIDAS (Herridge) A deep yellow that is the best on the market for exhibition and will make a good commercial also.

LADY JANE (Lake) A clear glistening cream that should make a fine commercial. There is a big demand for cream varieties as in floral work they are more beautiful

Gladiolus Price List

SPRING -- 1941

This List Supersedes All Previous Lists

Do not use an old list. There are many changes in this one.

Please read pages 6 and 7 before making out an order.

CHAMPLAIN VIEW GARDENS

ELMER GOVE

BURLINGTON, VT.

Please Read Carefully

Please do not ask us to change collections or special sets. The collections are made up as they are for definite reasons and we cannot change them. Any of these collections or specials are very good value.

Do not split quantities as listed. Where a variety is listed at 2 for 15 cents or 4 for 15 cents do not order 1 or 2 at a lower price. There is no profit in any items of less than ten cents and very little at that price. **No single item accepted for less than ten cents.**

EXTRAS ON CASH ORDERS. On cash orders of \$2.00 to \$5.00 you can select 10% extra in bulbs of your own choosing. From \$5.00 to \$25.00 select 15%; \$25.00 to \$50.00 select 20% and above \$50.00 select 25%. **These Discounts do not Apply to Collections, Special Offers or Wholesale prices or New Introductions, or those marked "No Discount."**

VARIETIES MARKED "NO DISCOUNT" CAN NOT BE USED AS EXTRAS.

Discounts apply to gladiolus only and not to other articles listed.

TO MAKE OUT YOUR ORDER put everything down on the order blank, just as listed in the price list. Add it up, then figure out any special discounts or add on the extra bulbs of your choosing. It is all very simple but some people seem to have a lot of trouble in making out an order.

The above discounts and extras are all for cash orders. The earlier the orders are received and the larger they are the more generous we will be with our extras. If you cannot spare all the cash now send 25% and the balance later and we will see that you are satisfied. **But the above extras are only for cash before shipment.**

On cash orders of \$12.00 or more, for bulbs, I will give a copy of the "Gladiolus Book" by Rockwell if you ask for it and if you have not already had one.

Packages of bulblets run from twenty-five to fifty or more. We give very good value.

You can have 3 or more bulbs at the 10 rate; 25 at the 100 rate. But no single items for less than 10 cents.

Please do not send us orders of under \$1.00 as we lose money on them. I do usually fill such orders from regular customers as an accommodation but they cost us more than we get for them. On retail orders of under \$1. please enclose 10 cents for postage.

I GUARANTEE SATISFACTION, and I mean just that. If at any time, either after receiving the bulbs or after blooming, you have cause for complaint just write me about it and I will do my utmost to make things right. This is the only basis on which anyone can hope to conduct a business that will be permanently successful.

At these prices all bulbs, except the wholesale offers and growers' collections, are prepaid anywhere in the United States and Canada and all countries in the Postal Union.

SPECIAL QUOTATIONS. Do not ask for special quotations unless you have a large order. We will not consider quoting any special prices on small orders. I publish this price list to give people the prices and do not consider it honest to give one person a lower price than another.

REMEMBER in buying bulbs price is not everything. In fact sometimes the price is a minor item. Consider the quality, count, the reliability of the grower, etc. I always mean to put in enough extra count or over size to make up for any lower price that other good reliable growers might make. **Just leave it to me.**

IF YOU WANT TO PAY TRANSPORTATION and get extra count on your order just mention it and I will send your order collect for postage or express and will see that you are more than satisfied. Just mention whether you want extra count on your order or extras in other kinds and what kinds. If you want wholesale orders sent by mail it is better to let us send them **C.O.D. for the postage**, then we know the postage is correct and I will give you more than enough bulbs to make it up. People who send stamps or cash for the postage seldom send enough.

On wholesale orders do not ask us to prepay the carrying charges and take out enough bulbs to offset the express or parcel-post. This disrupts the whole office routine and makes us a lot of extra work. On wholesale orders which are not prepaid let us send them **C.O.D. for the postage or express collect.**

ON FAIR SIZED ORDERS, EXPRESS is safest and best especially in the winter time; I advise express if you are situated so as to get free delivery by the express company.

EXTRAS. It is the practice of most growers to give extras on orders. I always put in some myself. So it would help me if you will mention whether you want extras of the same varieties that you order or in other kinds. And if you have a preference it will help me still more if you can name the varieties in which you want your extras and if you want large, medium or small bulbs or bulblets.

Just give us a list of varieties from which to select your extras. We will put in what we think the order rates.

PLEASE give me a list from which to select your extras. Extras are given for orders from the retail list—not from the wholesale tho I usually put in something new to try anyway.

C.O.D. ORDERS—Please do not ask us to send an order C.O.D. without your making a deposit on it. If it is a small order we shall have to ask for a deposit of at least a dollar. Larger C.O.D. orders should be accompanied by 25% of the value. We cannot send out any more C.O.D. orders without at least some deposit.

Premium Bulbs Free

WINSTON Palmer Seedling No. 322016. A large very beautiful, ruffled cream, with slightly deeper cream throat. An exquisite creation that is bound to become very popular with those who can appreciate real beauty. Very early.

MERMAID Palmer Seedling No. 34047. Very tall, strong growing pink with white throat. A fine new color, suitable for florist work. Several well placed blooms open. Always straight. A Debonair stem with a really fine flower. Florist visitors to my fields have commented very favorably on this variety.

FREE with a **\$15.00** order, a large bulb of either one of the above varieties.

A **\$30.00** order will get a large bulb of both. Only one of each to a customer.

Do not ask for any other variety as a Premium bulb as the above two are the only ones we give for size of order.

THIS YEAR I am selling the premium bulbs, also, a thing I have never done before. The bulbs are priced at \$5.00 each. I can imagine a lot of people asking me for \$5.00 worth of bulblets as a premium instead of a large bulb. This we can not give. The premiums are large bulbs as noted above.

WHEN CORRESPONDING ABOUT A PREVIOUS ORDER, PLEASE GIVE ORDER NUMBER. IT SAVES US A LOT OF TIME.

F.O.B. ITEMS. When an order contains both F.O.B. items and retail items unless you give instructions to the contrary we ship them all together in one package F.O.B. but put in extra count and enough extras to more than offset the carrying charges on the retail items. If the order is large and you want the two different classes shipped separate we can do that if you ask us to but many orders contain both retail and wholesale items and it is usually simpler to send them all together.

CERTAIN VARIETIES because of their being new introductions of this year or because I am simply listing them for another grower or for some other reason I have marked "no discount." We do not give any discount whatever on introductions of the current year and there are no discounts on Golden Goddess, a patented variety, and a few others. These are marked in the price list.

The varieties marked "no discount" cannot be used as extras as either they are very limited in quantity or I am listing them for other growers at a nominal commission.

CANADIAN CUSTOMERS have to send to the Destructive Insect & Pest Act Advisory Board at Ottawa for permit to import bulbs.

At present writing (Spring, 1941) there is an embargo on bulbs to Canada—no bulbs can be sent into Canada until the embargo is lifted, which no doubt will be for the duration of the war or longer.

AT THIS TIME most foreign money is discounted in this country so foreign customers in remitting for bulbs will please send a bank draft on a New York Bank in United States dollars.

ORDER EARLY. There are always certain varieties of which the stock is very limited and so we are usually sold out before spring, so if you order early you will be sure of getting just what you want. Then again we are always rushed in the spring as so many people wait until then to order. And by ordering early you will get what you want when you want it and it will be better for both of us.

ACKNOWLEDGMENT OF ORDERS. We always send an invoice as soon as possible after an order is received, usually within 1 or 2 days, however, as so many people procrastinate and wait until spring to order, that often in March and April we simply can not get these invoices out as soon as we would like to. Often get several days behind. If you do not get an invoice acknowledging your order within a few days, drop us a line. But in the spring it may be 10 days or more before you would get it. This is another reason for ordering early. Another invoice goes with the order of bulbs for checking.

"Will give you a list of the varieties that did the best in this locality. **Maid of Orleans**, and **Clarion** were very choice also **Debonair** and **Kings Ransom**. **Bill Sowden** and **Token**. But the most beautiful one was **Beacon**. I had one spike with 21 blossoms with about 12 open at one time. The extras you sent me did very well especially **Firefly** and **Rocket**, which are two of the best reds I have ever seen. **Colossus** also is an outstanding glad and did very well for me. Almost forgot to mention **Maytime** which did itself credit up here also."

—E. F. Findlay, Wis.

"The bulbs are the finest lot I ever received, very much finer than any I ever bought before. And I am expecting some grand additions to my already grand **Glad Garden**.

"Syrup! Not since I left the farm, where we made our own, have I tasted such syrup. It's just not possible to buy it."

—F. E. Parsons, Mass.

Special Collections and Sets

The following 5 collections are just the thing for those who don't care to keep the names of the varieties separate, but do want a nice garden of glads. I sell thousands of these collections every year and have a great many fine reports on them. If these bulbs were sold separately under name they would cost several times the price asked as collections.

No. 1. UNLABELED COLLECTION. 100 assorted large bulbs (1 ¼ inch up) in at least 40 varieties in about every shade in gladiolus. I have sold this collection for years and have thousands of very well pleased customers. I positively guarantee there is not a better collection sold by any grower in the country for anywhere near the price. I get many repeat orders every year from well pleased customers. 100 for \$3.00, 50 for \$1.75, 25 for \$1.00, all prepaid. With each 100 bulbs of this collection I will put in FREE 2 large Carillon, bulbs. This is a very unusual and beautiful variety. Also 1 large Amulet bulb, a beautiful creation.

No. 1b. THE SAME COLLECTION IN SMALL BULBS. These may not all bloom the first year, but most of them should and all should make nice large bulbs for the next year.

No. 2. UNLABELED COLLECTION. 100 assorted as above containing 45 varieties and including many of the newer and higher priced ones. A wonderful collection at a moderate price. 100 for \$5.00, 50 for \$2.50, 25 for \$1.25.

NONE OF THE ABOVE COLLECTIONS ARE LABELED AS TO VARIETIES. Don't ask us to give you the names of the varieties in the collections as we positively do not do it at these prices. If you want them labeled, buy them under name. I guarantee the collections to be the best you can buy for the price.

IN THE Following three collections, there are some Palmer unnamed seedlings and other varieties, not described in the catalog. Have no fears about them not being good. They are just as high quality as most of the named varieties on the market.

No. 4. BETTER TIMES COLLECTION. Large Bulbs (1-2 inches in diameter). \$3.00. All labeled. A very fine collection for a beginner or anyone else. Splendid varieties in many types and colors ranging thru many colors. You can't get started in good named varieties in a less expensive way than in getting this collection or one of the next two.

—Irving Underwood, Minn.

—A. F. Tompt, Ind.

"I was greatly impressed with the trial bulbs you sent me of **Magnolia** and **Lombardy**. Grew for the first time many of your Palmer introductions and each one had something in particular to add to *Gladiolus* already introduced to make it outstanding."

—Geo. Wentworth, Michigan

"The two bulbs number 30112, **Rocket** you sent me for trial proved to be the big flash in the neighborhood. The color is such a flashing red that people will just have to stop and view it.

"Both produced spikes about 4 feet high with 24 buds to the spike, opening 10 to 12 at one time right in the garden. Cut them and then in the house they gave a most satisfactory account of themselves. **Dr. Bennett** has lost its place in my garden now. The bulbs gave up an enormous amount of bulblets.

"All bulbs I got from you in the past two years proved most satisfactory. All grew and were true to name."

—R. Ebner, Wis.

"The assortment and collections in your catalog I think is the finest way for an amateur to obtain some of the best buys in selective *gladiolus*. I can't find any other grower that offers the equal."

—Geo. Swann, Conn.

No. 42. 50 Cent Long Season Specials

To have blooms of a certain variety over a long period I want to especially recommend the following collections. These consist of various sizes of bulbs of each variety. There are usually two or more large bulbs, some medium and some small. If you are not in the habit of buying medium or small bulbs you will be amazed at the fine blooms you will get from these. And if there is a particular variety that you especially like you can have blooms of this variety over a much longer period than you could if you planted all one size.

I can't give you the exact number of bulbs that you will receive in each lot because the varieties vary somewhat in price and I have a much larger stock of some kinds than of others but you may be assured that you will get big value. **Leave it to me.**

Remember each 50 cent special is only one variety and not an assortment of several varieties or of all of them. Each special consists of various sizes of just one variety. Select as many as you wish. But remember they are 50 cents for each one.

Any five lots for **\$2.25**. Any 10 lots for **\$4.00** or any 15 for **\$5.75**. In addition to this if you buy several lots I will put in something good for you to try out.

Please do not order varieties not in the collection you are ordering from.

Euphorbia Corolata

(FLOWERING SPURGE)

This is a hardy perennial somewhat similar to double Baby's Breath but blossoms later. Blooms through August and September. Just the thing to go with glads or any other kind of flower. Will grow on most any kind of soil, even on dry sand, but good garden soil will make it very much better.

This is a plant that should be grown in every garden and commercial growers should plant it by the hundred. Absolutely hardy and I am sure you will like it.

In the northern states I would suggest Euphorbia be planted early in the spring. In the south or where it does not freeze hard, fall planting would be perfectly all right.

Though Euphorbia is easy to handle, and there should be no reason for it not doing well, I have had some complaints about the roots not growing. I don't know why this is because if they are planted at once and given a good watering they should all grow. I have had no trouble with them myself. But in as much as I have had some complaints I no longer guarantee the roots. I do give good strong healthy roots and if given half a chance they should grow but if they do not grow I shall not be responsible.

Prices are 4 roots for 60 cents or one dozen for \$1.25 prepaid. **We do not sell less than four as they cannot be shipped with the gladiolus bulbs. We have to make a separate shipment. Can't usually ship roots after May 1st. Tho we may. It depends on the season.**

To Southern customers we can ship this fall or anytime during the winter but would advise Northern customers to plant in the Spring.

100 roots \$6.00 f.o.b. with 50 at the 100 rate

"I think **Eloise** easily is far and away the best lavender type on the market today, so far as popular priced varieties are concerned. It and **Recado** were the hit of my glads last summer and I was especially impressed with the fact that both produced strong, straight stems with no tendency toward crooking even in our sustained high temperatures. For the home gardener who wants to get away from the usual run of pinks, salmon, reds etc., **Recado** and **Eloise** are magnificent and within the price range of everyone."

—Don Ewing, La.

"I want to thank you for the fine bulbs sent to me last year, the extra count, and the many fine extras. 32201 and **Rewi Fallu** are two more extra good ones, and I am ordering me some more of them."

—R. R. Treavy, Virginia

"Last year I bought fifty of your **Beacons** which I consider was a good investment. My friends said they were the most beautiful of them all. I wish to thank you for the prompt attention you have given my small orders."

—L. G. Bishop, Virginia

"I received the bulbs in fine shape and I wish to thank you for the lovely bulbs and all the extras."

—Mary Cowie, Illinois

Unlabelled Collections

\$1.00—100 Small bulbs for \$1.00. You will be surprised at the blooms you will get from these.

\$5.00, \$2.50, \$1.25—100 assorted as above containing 45 varieties and including many of the newer and higher priced ones. A wonderful collection at a moderate price. 100 for \$5.00; 50 for \$2.50; 25 for \$1.25.

\$10.00, \$5.00, \$2.50—50 or more varieties, many of them being exhibition sorts and worth several times the price asked. Real aristocrats in gladiolus. Nothing better to be had in an unlabelled collection. 100 for \$10.00; 50 for \$5.00; 25 for \$2.50.

Some of the following collections were listed on my card sent out recently and in other places. A time limit was put on them. The time limit is up but I find now that I can still supply these collections. I can't guarantee that all the varieties will last out through the season, but I can furnish them for at least awhile. Get your orders in as early as possible so as to get just what you want.
